Subject :- Appreciation/Satisfaction Letter Regarding Supplied M/C.
Kind Attention- Nikki Thakore,

It is our pleasure that we are placing you new order of 5 Nos. flatbed printing machine with fully servo drive and automatic trolley containing 20 colors each ,after satisfactory running of your 30 Nos. flatbed printing machine of different length size.

We are also well satisfied from result and working of your first rotary printing machine, which is installed, in our mill in august-17.

We are also in process to replace our exiting rotary printing machine with your new one after satisfactory result from last 1.5 years of your first machine.

It will be our sixth machine with below details.

- Fully servo single drive
- 12 heads individual servo drive
- Printable with of M/C 1500 MM

We are well satisfied with performance of your flatbed and rotary printing machine, we will also purchase our next requirement of printing machine from Indian textile engineers only.

We wish that our association to be continue.

Thanking You,

For, Aaiswarya Dyeing Mills Pvt. Ltd.
