Subject: Appreciation Letter for M/s. Indian Textile Engineers

Attn. Mr. Niki Thakore

It is pleasure placing you purchase order for procurement of 3 New Flatbed Print Machines today, after using 21 flatbed machines from Indian Textile Engineers.

We were astonished on seeing you at ITME Exhibition wherein you had launched your first Rotary Print Machine and with just first look we placed our order to buy 1st Rotary Machine of Indian Textile Engineers. Although we could not get your first Rotary Machine due to non-completion of our installation site and we could just get 2nd rotary machine from you in the month of October 2017. It was 5th Rotary Machine for us with below furnished features:

1. 12 Head Machine
2. Full Machine Servo Drive
3. Servo Machine

We are so impressed with the performance of your Rotary Machine that whenever we will buy our 6th Rotary Machine it shall be from Indian Textile only.

We wish you that we would have association to be continue in coming decades.

Thanking you,

For Durga Processors Pvt. Ltd.
